

CARRAROIL POWER LIFE LUB 80W-90

- **Use**

- Transmissions and gears containing high-loaded gears, manual gearboxes and hypoid gears

- **Characteristics**

- Good viscosity-temperature behaviour even at low temperatures (SAE 80W-90: - 30 °C)
- Excellent protection at high working temperatures
- High E.P. performances
- Enhanced antiwear, antioxidant, antifoam and anticorrosion properties
- Extended lifetime of the components

- **Specifications / Approvals**

API GL-5 / GL-4

SAE J300: 80W-90

MIL-L-2105 D

MAN M 342 TYPE M2

ZF TE-ML 05A, 12E, 16B, 17B, 19B

- **Packaging**

- 5L
- 20L
- 200L
